General Terms and Conditions of Sale

1. ENTIRE AGREEMENT: This Agreement constitutes the entire agreement between KABA ILCO Corp. and the Purchaser, and contains all of the terms and conditions relating to the sale of the product(s). This agreement supersedes all prior agreements, previous catalog terms and conditions, and other documents unless expressly incorporated herein

2. PAYMENT TERMS: Unless otherwise stated, terms are net 30 days from the date of invoice. KABA ILCO Corp reserves the right to charge interest at 1.5% per month (18% annually) on any overdue amounts. If KABA ILCO Corp discovers that the Purchaser's financial condition does not warrant the above payment terms, then KABA ILCO Corp, in its absolute discretion, may demand that the Purchaser pay in advance, pay cash upon delivery, or refuse Purchaser's order. In the latter case, KABA ILCO Corp cannot be held liable for any damages of any nature whatsoever for its refusal to deliver goods in whole or in part.

3. PRICES: The product price(s) shall be according to KABA ILCO Corp price list in effect at the time of acceptance of the purchase order or according to its authorized quotation in force at the time of acceptance of the applicable purchase order.

4. TAXES: The price does not include any amounts for U.S. or International Federal Custom Duties, Canadian, U.S. or International Federal, Provincial, State, Local Excise, Goods and Services, Sales or Use, or Value added taxes. However, should KABA ILCO Corp be obligated to pay any of the foregoing taxes, the Purchaser, upon demand, shall, within fifteen (15) days, reimburse KABA ILCO Corp the total amount disbursed in respect thereof.

5. MINIMUM ORDER REQUIREMENTS: The minimum order amount for all orders accepted is \$400 USD, excluding the shipping charges. This does not apply to cut keys.

6. PRODUCT INFORMATION: Unless expressly stated in this Agreement, all information contained in the product brochures, pamphlets, or information circulars, are for reference purposes only and based on the best information available at time of publication. KABA ILCO Corp reserves the right to make reasonable changes in its products from time to time and to deliver the modified products.

7. INSTALLATION: Unless otherwise expressly stated, the costs and materials required for installation are not included in the prices and/or quotations.

8. POINT OF DELIVERY & SHIPPING: Delivery points and terms are FOB KABA ILCO Corp warehouses in the USA and Canada for KABA products. Should Purchaser request a shipping method or carrier different than KABA ILCO Corp's standard, then the full amount of the shipping cost will be invoiced to the Purchaser. Drop shipments to a third party are subject to a \$25 surcharge, which is invoiced to Purchaser.

9. DELIVERY TERMS: KABA ILCO Corp will notify the Purchaser if for any reason, it is unable to deliver the products as scheduled and cannot be held liable for any damages of any nature resulting from these delays.

10. FORCE MAJEURE: Should a delay in delivery be caused by a Force Majeure event, the time of delivery shall be extended by a reasonable amount of time with regard to all applicable circumstances. Upon mutual agreement, the parties shall set a new date for delivery. Except as to payments due hereunder, neither party shall be liable for failure to perform hereunder for the duration of and to the extent such failure is occasioned by a Force Majeure event, which is defined as follows: war, riots, insurrections, fire, flood, explosions, strikes and other labor or industrial disturbances, inevitable accidents, Government, State, Provincial or Municipal regulations and/or ordinances, an act of God, embargoes, blockades, delay in obtaining materials, legal restrictions, currency regulations, or any cause or condition beyond the reasonable control of the parties. Where such conditions continue for more than three (3) months, either party shall be free to terminate the Agreement. In the case of termination, KABA ILCO Corp shall be paid the value proportionate to the Agreement price for the finished product and/or the work-in-progress as of the date of termination and the supportable costs.

11. FAILURE TO ACCEPT DELIVERY: If Purchaser fails to accept delivery at the scheduled time, the purchase price shall become due and payable in accordance with the original payment schedule and all risks associated with the product or parts of the product to be delivered, shall be borne by the Purchaser. Purchaser shall be responsible for all storage and handling costs incurred and to be incurred as a result thereof.

12. TITLE: Unless otherwise stipulated in this Agreement, ownership of the goods shall remain with KABA ILCO Corp until full payment of the sale price has been received.
